1.2 Term

This Agreement shall commence on March 31, 2026, and shall remain in effect until all agreed-upon deliverables are completed, unless terminated earlier by either party under the terms of this agreement.

Our team is committed to delivering high-quality assignments and projects within the specified deadlines. We work with professionals across various domains to ensure that the work adheres to the instructions and formats provided by the client or institution.

While we make every effort to deliver accurate, relevant, and properly formatted work, the client is responsible for reviewing the final submission to ensure it meets their expectations and academic requirements. We encourage clients to share any concerns before submission, as we provide unlimited revisions prior to the final upload to any academic or institutional portal.

Note that we do not have control over how academic institutions evaluate submissions, and therefore, outcomes such as marks or grades fall outside the scope of this agreement. Our service focuses solely on the completion and timely delivery of assignments and projects based on the provided guidelines.

2. Payment Terms

The Client agrees to pay the Company according to the assignment quotation outlined in Section 5 : Quotation & Pricing. Payments shall be made within 30 days of invoice receipt, unless otherwise agreed in writing.

As part of our structured workflow, the Company engages specialized freelancers and team members to begin work immediately upon project confirmation. To maintain timely delivery and fair compensation, an advance payment may be required before the commencement of any assignment. The Company's earnings are based on a commission structure, and we ensure prompt payment to our freelancers from the advance provided by the client.

All payments shall be made digitally, and the Client will receive the relevant bank details or payment instructions along with their quotation.

Discounts and Referral Benefits

We value long-term relationships and referrals from our clients. Therefore, we offer the following benefits:

- **First-Time Client Discount:** A special discount is available for clients availing our services for the first time.
- **Referral Discount:** If a new client comes to us via an existing client's reference, the new client receives a discount, and the referring client becomes eligible for future benefits.
- **Loyalty & Group Referral Bonus:** Clients who successfully refer four or more new clients will be eligible for significant ongoing discounts on future services as a token of appreciation.

All discounts are subject to verification and must be agreed upon in writing at the time of quotation.

2.1 Termination

Either party may terminate this Agreement with 2 days' written notice to the other party. Upon termination, the Client shall be responsible for payment of all services rendered up to the date of termination, including any approved work in progress.

In the unlikely event that the Client experiences dissatisfaction with any part of the service or encounters issues during the project lifecycle, we encourage open communication. The Client may reach out to our support team at **workflowhelpteam@gmail.com** for assistance, clarification, or to report any concerns.

note, while constructive feedback is always welcome and helps us improve, the Company reserves the right to take appropriate action in response to unjustified complaints, misuse of services, or any form of unprofessional behavior toward our staff or service providers. We are committed to providing a respectful, transparent, and supportive environment for both our team and clients.

2.2 Confidentiality

Both parties agree to maintain the confidentiality of all proprietary, sensitive, or confidential information exchanged during the term of this Agreement and thereafter.

This includes, but is not limited to, client-provided documents, assignment materials, personal information, business strategies, pricing, communication records, intellectual property, and any other data that is not publicly available.

Neither party shall disclose or use any such confidential information for any purpose other than fulfilling the obligations under this Agreement, unless otherwise required by law or with prior written consent from the disclosing party.

The obligations of confidentiality shall survive the termination or expiration of this Agreement.

3. Company Terms and Conditions

The following terms and conditions ("Terms") govern the provision of services by Workflow ("Company") to the Client. By engaging with our services, the Client agrees to be bound by these Terms.

3.1 Service Provision

The Company offers a wide range of services, including but not limited to:

- Academic Assignments
- Graphic Design & Logo Design
- Web Development
- Video Editing & Reels Creation
- Animation Projects
- Custom Projects based on client requests

All services are delivered based on the instructions and materials provided by the Client. It is the Client's responsibility to ensure all requirements are clearly stated at the time of ordering.

3.2 Client Responsibilities

The Client is responsible for:

• Reviewing all deliverables thoroughly before submission to academic institutions or other entities.
• Providing timely feedback, guidelines, and necessary resources.
• Communicating concerns promptly to allow for revisions before submission.

Workflow offers unlimited revisions prior to external submission to ensure Client satisfaction. Post-submission outcomes (e.g., grades or evaluations) are beyond Workflows scope.

3.3 Code of Conduct

We expect professional and respectful behavior from all clients. Abusive language, threats, or misuse of our services may result in immediate termination of the project without refund.

4. How We Work

Our process is designed to deliver high-quality results with transparency, flexibility, and consistent communication. Here's a step-by-step overview of how we work with our clients:

4.1 Discovery Phase

- We begin with a consultation via WhatsApp, phone call, or video conference to fully understand the Client's needs, goals, and expectations.
- During this stage, we define the project scope, key deliverables, deadlines, and required resources in collaboration with the Client.

4.2 Planning and Design

- Our team prepares a detailed project plan with clear milestones and timelines.
- For design-based or development projects, we provide mockups, wireframes, or prototypes for Client review and approval before proceeding.

4.3 Delivery and Support

- Once approved, we begin executing the project according to the plan and agreed timeline.
- Throughout the execution phase, we provide regular updates, previews, and feedback checkpoints to keep the Client informed and involved.

4.4 Execution

Project Delivery

- The Company ensures that all final assignments, designs, or development projects are delivered in full compliance with the Client's specifications and requirements.
- Deliverables are provided in multiple file formats based on the nature of the work, including but not limited to: **.pdf, .docx, .png, .jpg, .tiff, and other relevant formats.**
- A ***Google Drive dashboard*** will be shared with each client for their individual projects. This allows clients to download, review, and re-edit their files anytime, anywhere.

Revisions and Flexibility

- We offer unlimited revisions prior to the Client's final submission to their portal or institution, as long as the requested changes fall within the original scope of work.
- Post-delivery support is available as agreed upon, and we aim to maintain clear and timely communication for any follow-up requirements.

File Retention and Backup

- To ensure security and convenience, the Company will retain a backup of all delivered files for a period of up to 4 years from the date of delivery.
- This long-term access enables clients to retrieve past work, request edits, or reference previous projects as needed.

📚 5. Assignment Quality & Pricing Sheet

💡 Quality Levels Explained:

- **Mid Quality (Moderate)** – Recommended by workflow ✅
  - Focuses on meeting standard assessment requirements.
  - Clear formatting, adequate research, and sufficient details.
  - Suitable for regular submissions where high-level detailing or personalization is not necessary.
  - Best for timely and efficient task management.

- **High Quality (Advanced)** –
  - Includes deeper research, advanced structuring, and professional polishing.
  - Designed for situations where top scores, external evaluations, or presentations are expected.

✅ Workflow Approval & Acknowledgment

This document outlines the assignment tasks, submission deadlines, and respective charges based on the selected quality standards.

The Mid Quality (Moderate) level is the recommended option as per our workflow for timely and efficient processing.
By signing below, both parties agree to the terms listed above.
